

St. Stanislaus Kostka School

Volunteer Opportunities

2017-2018

August 2017

Dear St. Stanislaus Kostka Parents/Guardians,

Are you looking for a way to be involved? Do you have some creative ideas on how to make our school even more successful? Consider signing up to be on one of the following committees! Every family is encouraged to make a meaningful commitment of time and energy to St. Stan's School; while volunteer hours are not required, we ask that every family give a minimum of 10 hours of their time

Help make St. Stan's strong! Meet new friends and feel good about giving back. Please sign up for a committee today. Please return no later than Friday, September 8th.
